## THE BIRTH OF ADVENTURE

In 2016, when we first launched the Isuzu V-Cross in India, it came with a huge responsibility.

To craft a vehicle fit for every kind of adventurer.

For the thrill-seekers. For the explorers. For the pathbreakers.

We're proud to have introduced you to adventure up close, and first-hand.

So when we call ourselves India's First Adventure Utility Vehicle, it isn't just a marketing tagline.

It's a moniker we've earned over the past 10 years.

And if you're someone who seeks adventure in every step of their way, we're your vehicle to it.

## THE GREAT OUTDOORS

The salty air from those surfing getaways, the eucalyptus scent of those scenic cycling routes, the flaming sunrise as seen from your camping tent, or the clicking of crickets as heard from your overlanding canopy in the woods. The Isuzu V-Cross is designed to be your partner in every pursuit of adventure.

**'THE DIFF' AND MORE**

## DIFFERENTIAL LOCK (AUTO)

Traverse challenging terrain easily with The Differential Lock in the V-Cross. It automatically engages while off-roading and evenly distributes power to both wheels on an axle, so you can carry on without the fear of getting stuck.

### **DUAL TONE LEATHERETTE SEATS**

Enjoy a more premium cabin experience with Dual Tone Leatherette Seats that offer you the best of both: comfort and style.

### 360° SURROUND VIEW CAMERA

View your V-Cross from the front, rear, under-side and top-down at once with the new 360° Surround View Camera that ensures complete visibility without the need to second-guess.

### **TYRE PRESSURE MONITORING SYSTEM**

Benefit from real-time tyre pressure alerts with the Tyre Pressure Monitoring System that constantly checks your tyre pressure and monitors drops below safe levels, allowing you to take timely action.

## ADVENTURE THAT LOOKS GOOD ON YOU

---

Leave 'ordinary' in the rearview. Sport the look of adventure from tip to tyre, with the armor of Sporty New Black Grille Surrounds and All Black Roof Rails that match your free-spirited personality.
